The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

I totally support CALFED, I feel we really need to focus on water conservation practices, instead of taking it from where we really need it. So it is I refuse to allow my children to drink our own tap water, as I don't feel it is safe. I strongly urge you ~~not to build the first third of a canal @ the Delta~~
